I'm passionate about tech, always trying new stuff, when it comes to crafting software I like to code the simpler I can. Self learner, kind of a geek/nerd, and science lover.

WORK EXPERIENCE

Web Developer

Fernie Web Development | 05/2016 – 12/2020 | Santa Ana, San José, Costa Rica

Founded in 2009, Fernie is a web design and web development agency based in Santa Ana. Offering Web Design and Web Development in Costa Rica, the USA and Europe. Over the last few years they've made a reputation for building websites that look great and are easy-to-use.

For Fernie I developed both static and dynamic sites and web applications, using technologies such as: Laravel, WordPress; Node.js, React, ES7; HTML5/CSS3/JavaScript.

Contact: Kasper Vendel, President, +50687088418
